Subject: Volunteers Needed!

To be a member of a credit union is to be an owner of the business! Credit Unions are not for profit, they return their profit to loans, dividends and pay employees salaries and office expenses.

The Credit Union is guided and managed by a board and paid manager (CEO). The board and committees are volunteers consisting of interested owners willing to give some personal time to assure the best possible rates and services for the membership. Actual time involved in volunteering averages 2 to 3 hours per month.

If you are a member of MTFCU, in good standing and would like to know more about volunteering please contact the CEO Ed Gabel (or leave a message at 528 9400).

We have at least three committee positions to fill by the 2012 Annual Meeting in February. If interested come in and pick an application / obligation form. It must be filed two weeks prior to the annual meeting. Typically we chose from the committees for election to the board.
